

## Bone Lake Park ( & Outlet)

Boy Scouts have used this parcel four to five years ago for trailblazing exercises.

### Classification:

New Scandia Township Regional Park

**Size:** 26 Acres

**Location:** North of Bone Lake off of County Road 1.

### Existing Facilities:

- Boat Landing/  
Public Access
- Inlet to lake

### Adjacent Land Use:

Proposed Chisago Lake Township park to the north, agricultural, residential

View to low-lying area east of public access parking area

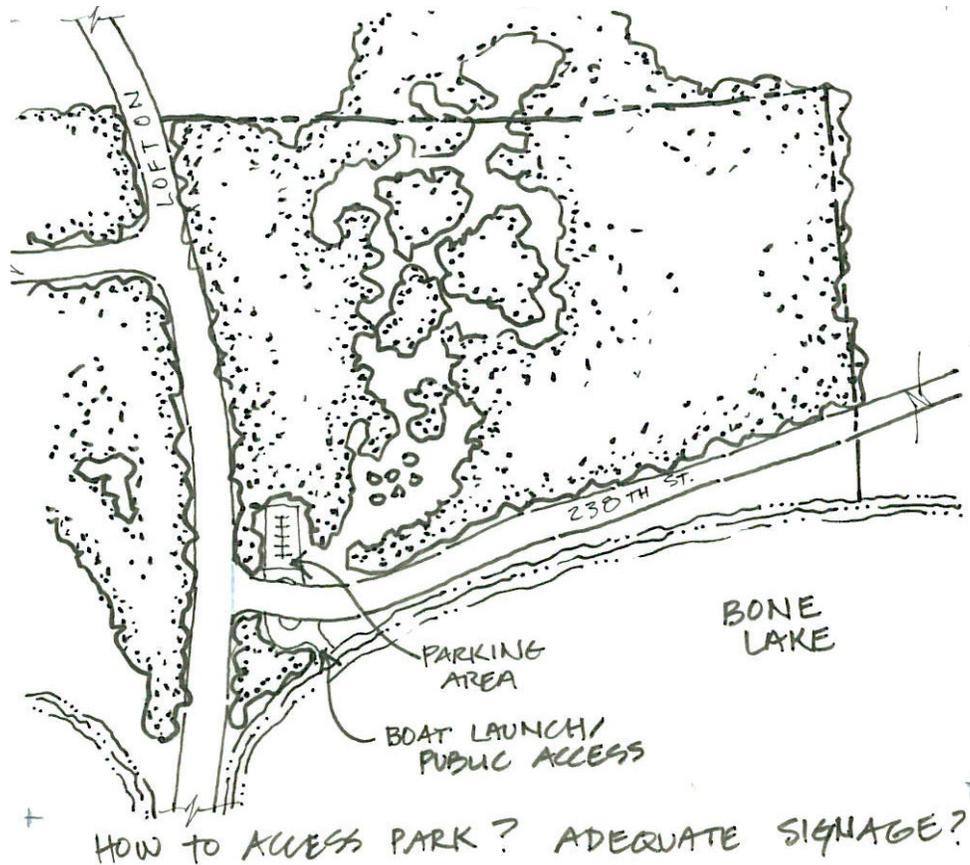

Bone Lake Outlet-  
Six acres of wetland located across Co. Rd. 1

Bone Lake Public Access-  
Owned and Maintained by the DNR

## Bone Lake Park (& Outlet)

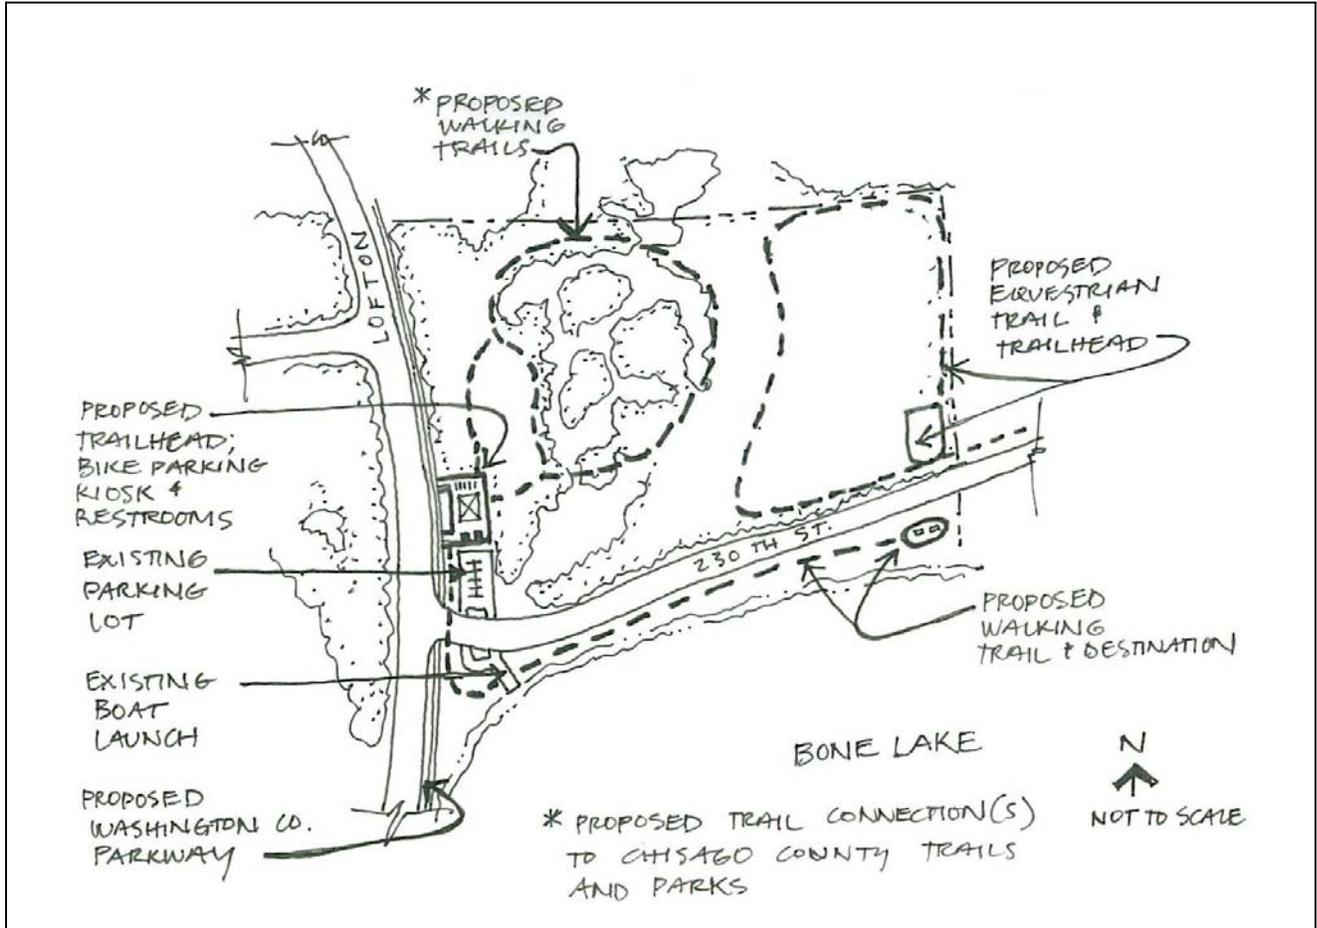

### Site Plan- Existing Conditions

Not to Scale

**Issues:** Wetlands on approximately 75% of site. Parcel boundaries need verification. Adjacent 'Bone Lake Outlet' is six-acre site composed primarily of wetlands, located directly across park on County Road 1.

**Opportunities:** Limited access due to wetlands- possible consideration for preservation or natural area

## Bone Lake Park (& Outlet)

### Master Plan

#### Goal:

- Provide trailhead for (proposed) New Scandia Township and Washington County trails.
  - Trailhead could provide parking, restroom/portable toilet, information kiosk, maps and water.
- Provide connection to Chisago Lake Township parks and trails.

#### Strategies:

- Partner with Washington County
- Partner with Chisago Lake Township
- Partner with other agencies and groups with bicycle trail planning expertise.
