## Big Lake School Area

### Site Plan- Existing Conditions

Not to Scale

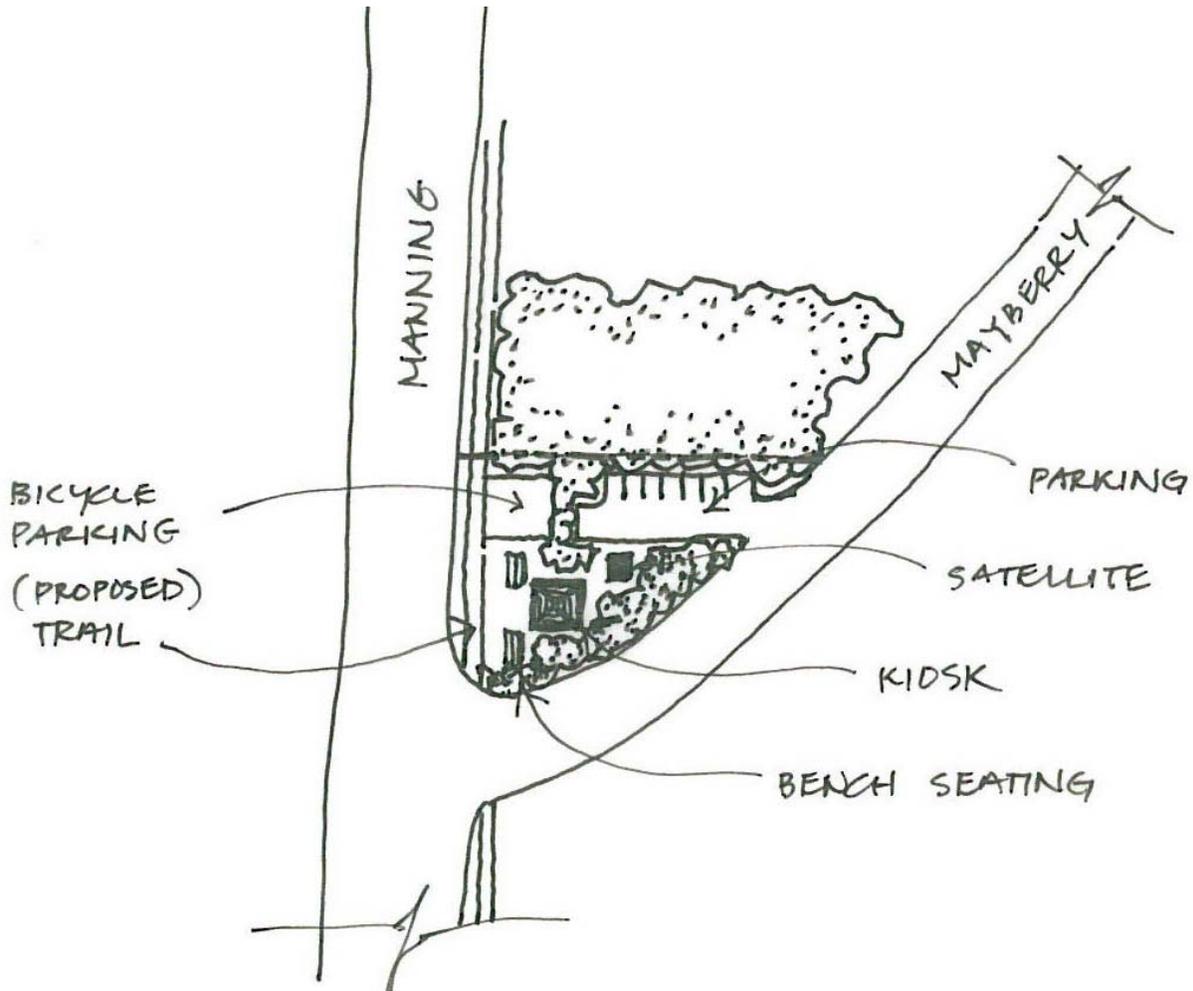

#### Issues:

- Site is relatively small in size.
- Accurate parcel boundaries need to be identified.
- Site access has limited visibility.
- Clearing of buckthorn and underbrush needed.

#### Opportunities:

- Potential rest stop/ trailhead for proposed Washington County Parkway and/or Township trails or routes.
- The Parkway is identified in the Washington County Linear Park System Master Plan, published in 1996.

## Big Lake School Area

**Master Plan**  
Not to Scale

### Goal:

- Provide trailhead for (proposed) New Scandia Township and Washington County trails.
  - Trailhead could provide parking, restroom (or portable toilet), information kiosk, maps and water.

### Strategies:

- Partner with Washington County and/or other agencies and groups with bicycle trail planning expertise.
