

Historic Loop Trail

Interpretive loop trail within Washington County Linear Park System Plan

Route:

Located in May and New Scandia Townships and the City of Marine-On-St.Croix, this circuit includes TH 95, CR 52, CSAH 3 and CSAH 4.

Length: 11 +/- Miles

Status: Proposed

Issues:

- This trail would most likely be a striped bike lane on the paved shoulder or a bike route on a shared roadway
- Bicycle safety remains a concern

Opportunities:

- This loop could be promoted through signage and maps for bicyclists and motorists to view adjacent historic sites of The Swedish Settler's Monument, Hay Lake School Museum and the Gammelgarden Museum
- There is potential for a trail link on Quinnel Avenue from this loop to the Log House Boat Landing at Copas
