

Summer 2016 Recreation Programs

Welcome to the Summer 2016 recreation guide. We are offering some new classes, with similar programming from previous years, to help residents experience a fun-filled season of activities. Many activities for boys and girls will be offered in partnership with Camp Lakamaga located on Big Marine Lake. Pre-registration for all programs is required. For updates on program registration and more forms, check the City's website (www.ci.scandia.mn.us).

If you have any questions, please contact: Judi Negus, Office Assistant, at 651-433-2274

Skateboard Park

Come out and enjoy the Wojtowicz Skate Park!

The skate park transforms from a hockey rink in winter to a skateboard park from spring through fall.

Amenities include bump-to-bump, kicker, four-foot street spine, fun box and grind rail.

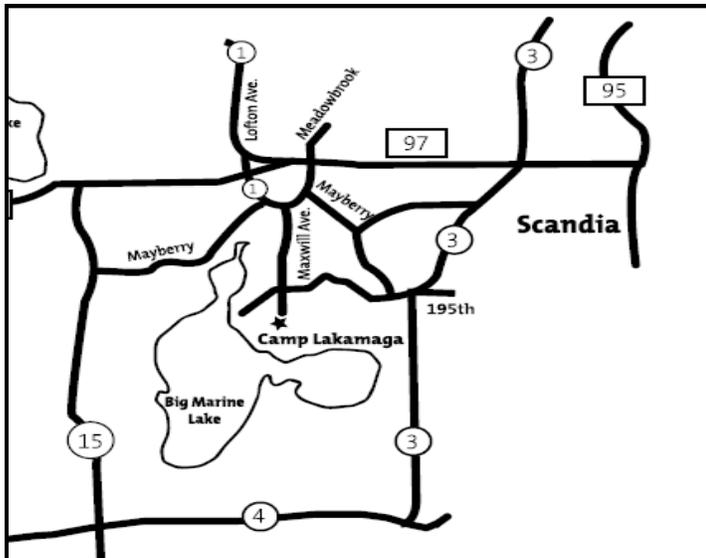

Location: Community Center

IMPORTANT!

Please register by the deadline date to avoid a \$5 late fee per session!

Camp Lakamaga
12303 Lakamaga Trail N., Marine on St. Croix MN 55047

Beautiful Camp Lakamaga is located on the shore of Big Marine Lake, and owned and operated by the Girl Scouts of Minnesota and Wisconsin River Valleys. Boys and girls are welcome at all programs co-sponsored with the City of Scandia.

Camp Lakamaga asks all campers to complete a short health history form prior to the start of their activity.

Hours: Mon 10-1, Tues 4-7, Wed 4-7, Thurs 10-1 & 5-8, Fri 5-8, Sat 9-12

Scandia residents are invited to make the Marine Community Library their go-to place for books, films, magazines, fabulous programs for all ages, and much more! Since 2012, the library has been serving the Marine, Scandia, and May Township area under a unique partnership between the City of Marine, Washington County, and area residents. It is run entirely by volunteers. The library is directed by a volunteer board, made up of members of all three communities.

We believe that the library makes up for its small space by the quality of its book collections, which are continually upgraded with new bestsellers and other in-demand offerings, across all genres. Since we are networked with the Washington County library system, county books also can be delivered to Marine for you to pick up, either in the library or in 24-hour accessible lockers.

In addition to spring showers, April will bring a number of programs related to "The Big Read," a one book, one community program that brings together residents from throughout the St. Croix Valley around a common book. This year's book is *The Grapes of Wrath*, by John Steinbeck. You can learn more about Big Read activities on stcroixsplash.org.

Marine Community Library regularly hosts adult education events, as listed on our website. On Thursday, April 7, the Marine Library Association and GreenStep City group are co-sponsoring a Solar Power Hour at the Marine Village Hall from 7-8 p.m. This is a free one-hour seminar to educate homeowners, small business owners, and farmers on the benefits of solar energy. This seminar will help you navigate the process of going solar and help you understand all options. You will also have the opportunity to meet with the highest quality local solar installers.

We are hosting a poetry crawl on April 30, 2016. Watch the Country Messenger and website for more details on this and other events. These events are free; the library does host fundraisers as well.

Finally, watch for details of another summer full of literary fun for "kids" of all ages. And do stop in to get your free Marine Community Library card today!

To find out what's new, to look for a particular book or author, let us know if you want to volunteer or to see upcoming events, go to our website: www.marinecommunitylibrary.org, follow us on the library Facebook page, or use the "contact us" tab to request to be on the library e-mail list.
