**PERMIT APPLICATION FOR THE INSTALLATION OF A "TRUCKS ENTERING" SIGN ON COUNTY ROAD 91 (LOFTON AVE)**

Dear Mike:

Washington County has reviewed your right-of-way permit application for the installation of a "Trucks Entering" warning sign at the Tiller driveway on County Road 91 (Lofton Avenue). We understand that the sign, subject to the approval of the County, was a requirement of the Conditional Use Permit from the City of Scandia.

County staff conducted a field review and determined that a warning sign is not justified at this location, as there is adequate sight distance on County Road 91 to see trucks entering and exiting the Tiller driveway. The right-of-way permit is therefore not approved.

Please feel free to give me a call at 430-4313 if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Carol Hanson".

Carol Hanson
